EDUCATION

Bachelor of Technology , *GLA University, Mathura*   May 2026

Intermediate ,DMPIC School, Jhansi   April 2022

High School, NPPHS, Jhansi   April 2020

INTERNSHIP EXPERIENCE

JOVAC, Mathura   June 2024 – August 2024
Frontend with React
- Developed an interactive Music Player App with real-time face detection features during my internship.
- Integrated a face API to recommend songs based on the user's mood.

Quickway Infosystems, Noida   June 2024 – July 2024

- Learned key ML concepts like supervised and unsupervised learning, model training, and evaluation.
- Worked on a mini-project involving data preprocessing, feature selection, and model accuracy improvement.

PROJECTS

Responsive Travel Booking Website
Sept 2024- Dec 2024
Tech Stack: HTML, CSS, JavaScript
- Developed a fully responsive travel website that allows users to book transport tickets and hotel accommodations..
- Integrated an itinerary feature that recommends top tourist attractions and places to visit based on the selected city.
- Focused on user-friendly design, seamless navigation, and mobile responsiveness using Bootstrap framework.

SKILLS

Technical
- **Problem Solving:** Solved 250+ coding problems on LeetCode, strong grasp of Data Structures & Algorithms
- **Tools & Platforms:** Git, GitHub (Active project contributor and publisher), VS Code

Professional
- **Communication:** Clear in expressing ideas verbally and in writing, both in technical and non-technical settings
- **Analytical Thinking:** Able to break down complex problems and design efficient solutions

EXTRA/CO-CURRICULAR ACTIVITIES

- Coordinated **SRIJAN** – Cultural Fest at GLA University
- Active contributor on **GitHub** with personal and collaborative coding projects
- Attended workshop on **Web Development & Git**
- Attended seminar on **Machine Learning Fundamentals**

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
